LoBue Excavating Company  
344 East 16th Street  
Chicago Heights, Illinois 60411

Gentlemen:

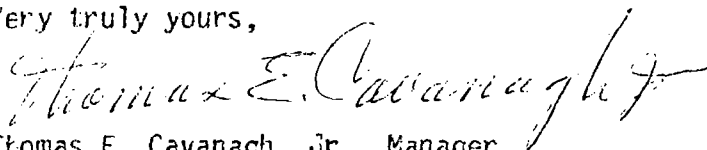

Supplemental Permit is hereby granted to LoBue Excavating Company to deposit refuse at the top of the slope under certain conditions in accordance with the request made by John L. Cifelli, dated September 12, 1978 and received by the Agency on September 14, 1978.

This supplemental permit is subject to the following special conditions:

1. Should an area to receive refuse be impounded with surface or ground water, such water shall be tested for the following parameters: iron, total dissolved solids, NH<sub>4</sub>, and SO<sub>4</sub>.
2. The results of these tests shall be transmitted to this Agency before any pumping operations are started to empty the area of impounded water.
3. The area to receive refuse shall be free of impounded water before any refuse may be deposited at the top of the slope.

Except as modified in the above documents, the site shall be operated in accordance with the terms and conditions of Permit No. 1975-64-CP.

Very truly yours,

Gentlemen:

Supplemental permit is hereby granted to LoBue Excavating Company to modify the groundwater monitoring program for the above site, all in accordance with the request prepared by Raymond J. Flood dated December 24, 1976, and received by the Agency on December 28, 1976. This supplemental permit is further subject to the following special conditions:

1. Monitor well number 3 may be dropped from the quarterly monitoring program.
2. Monitor well number 3 shall be inspected periodically and kept functional so that samples may be obtained from it should the need arise.
3. Monitor well numbers 1, 2, and 4 shall remain in the program and be sampled as required by special condition number 1 of Permit 1975-64-OP.

Except as modified in the above documents, the site shall be operated in accordance with the terms and conditions of Permit No. 1975-64-OP dated December 17, 1975.

Very truly yours,
